DIANE MIZRAHI
PRIMARY EXAMINER

Claims 8-23 are pending in the present application.

Applicant's request for reconsideration and arguments submitted on 4-26-07 with respect to claims 8-23 have been reconsidered but are not deemed persuasive for the reasons set forth below.

Response to Applicant's Remarks

Examiner has completed a through study of Applicant's remarks of 4-26-07. *In light of Applicant's remarks and amendment of 4-26-2007, a new office action is issued below:*
Although Attorney amended claims 8, 10-13, 16-18, 20-21 and 23, Examiner maintains the USC 112 rejections for the reasons set forth below.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 8-23 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding Claims 8-11 and 18-21, Examiner is unclear as to what Applicant intended by the claimed limitation, "can be recreated". Is the storage device recreated or not recreated? Further clarification and explanation is required. Claims 12-17 are dependent claims and rejected under the same reasons as claim 8.

Art Unit: 2165

Regarding Claims 8 and 21, Examiner is unclear as to what Applicant intended by the claimed limitation, "specific disk drive". What is a "specific disk drive" and what would constitute a non-specific disk drive?

Claims 9-17 are dependent claims and rejected under the same reasons as claim 8.

Claims 19-22 are dependent claims and rejected under the same reasons as claim 18.

Further clarification and explanation is required.

Regarding Claims 15-16 and 22-23, What does Applicant mean by the claimed, "taking over application". What does "taking over" mean? Does Applicant mean switching? Further clarification and explanation is required.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a).

Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

Comments

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
